To,

The Chairman,

All the Institutions affiliated to

Uttarakhand Technical University, Dehradun.

**Subject: Academic Administration and certain financial authority to Directors/HOD's in institutions.**

Dear Sir,

AICTE- National Board of Accreditation has stressed that in the academic institutions, the role of directors and heads of the departments are losing relevance day by day. The academic activities and training (R&D) are badly getting effected in the institutions.

Kindly frame out your governance of the institution in such a way that the academic governance should be perfectly under Directors/Principals and with some financial (partial) authority to invite outside experts, develop research activities and routine activities. The Finance of common facilities once allocated can be handled by the head of the institution under strict observation but presently autonomy, accountability in academic institution are made null and void by neglecting Directors and Head of the Departments.

What are different measures you have taken, kindly directly report to undersign so that the visiting teams of the University can report such progress to the undersign before first week of November, 2009.

1. Financial authority of Director upto Rs...../-
2. Financial authority of HOD upto Rs...../-
3. Committed amount for R & D in Rs...../-
4. Feed back from students and teachers on their demand for training, facilities and books required in library, lab grant allocated and spend in each semester in last two years (2007-09).

With regards,

Yours Sincerely,

(Prof. D.S. Chauhan)
