Dear Sir/Madam,

You are requested to arrange special zero hour or evening classes for back log papers of odd semesters of second year and third year students as well as for B.Tech/B.Arch., B.Pharmacy, MBA, MCA and BHMCT students. University has been scheduling in the month of November 2009, separate examinations on Sundays of November month at different locations but Govt. institutions will be permitted to carry on their own back log examination at their own institutions due to geographical inadequacy.

The student will pay Rs. 600/- for one subject classes of 40 teaching hrs at their institutions. The examination location will be announced near to their location in one of the institution as DIT for Dehradun, COER for Roorkee and Amrapali for Kumaon region, similarly KEC Dwarahat and GBPEC Pauri will be conducting own examinations at their own centres. For the BHMCT back log papers, GIHM, Dehradun and GIHM Almora will be two separate centres covering Garhwal and Kumaon regions respectively. Examination papers will be common for all the centres, accordingly examination schedule will be announced. Please keep in your schedule that only September and October will be only two months kept for their classes. Kindly submit your institute scheduled for teaching program to university so that the main examination (will be held in December 2009 probably will be free of backlog) will be successfully conducted and results will be available after evaluation. Backlog papers will be evaluated at Centre of examination by the teacher teaching the concern subject at particular centre.

With Regards

Yours Sincerely

(Prof.D.S.Chauhan)
