

Transparency on Uttarakhand Technical University Results for students

1. The results are available on the University website i.e. www.uktech.in immediately after completion of semester evaluation and availability of sessional marks.
2. In case you are not satisfied with your marks in particular subject or number of subject's evaluations then you will have to report your institute director/principal for following steps.
3. Principal/Director will contact the University for specific date and time. On that particular date the subject teacher of that subject of your institute will come to University and personally check your evaluated answer book. In case teacher is satisfied with evaluation then will report to institute and the student about his/her observations on evaluation.
4. In case the subject teacher is not satisfied with evaluation then three experts can look into the evaluation and submit their report. Their report will be final and will be communicated to concern institute.
5. There is no provision for rechecking other than as in point 3 and 4.
6. If the student wants to cancel the current evaluation and fresh evaluation will be done by IIT Professors on payment of Rs 2000/- per answer book that will be honorarium of the IIT Professor for that day on which he will come.
7. In case evaluation indicates difference of 15% marks then the final marks will be made on increased marks otherwise earlier marks will be considered final. The University will bear TA/DA of the professor.
8. In case the result is adverse then TA/DA and Rs 2000/- will be borne by the candidate or institute as decided by Director of the institute.
9. Application should be given through proper channel i.e. given through Director of the Institute.
